Ontario Pork Congress Prize Winner!

JFM wishes to congratulate **Lily McDermid** of Cronin Pork of Seaforth for winning the "Bucket of Tools" offer -ed at the Jones booth at this year's Ontario Pork Congress.

JFM also congratulates **Francisco Trejo** for his volunteer efforts at this year's Pork Congress with translation services used for a group of Guatemalan swine farm workers who were visiting Ontario.

New Office Update!

The new office project is moving along very nicely! Everything is on schedule and we look forward to a late fall completion. More next month!

Finishing Barns also required for our Rustic Regular (Certified Humane/GAP) Program.

Long-Term contracts available.

From the Jones Health & Safety Committee....

As farmers work through the harvest season, let us all be aware of our farming community activities on our roads. Equipment can be large and difficult to see around. Use caution when overtaking farm implements, give plenty of room to maneuver around. Remember Farmers Feed Cities. Safety is Everyone's Responsibility!

Jones Health and Safety Committee
