Jones Feed Mills – Covid-19 Operational Updates

- JFM staff are once again available for on-farm nutrition, management advice and support. To best facilitate this, we ask that when speaking with JFM personnel at your farm, that you practice physical-distancing (6') for everyone's safety. Please note, all JFM staff will be wearing masks when inside barns or buildings.
- All JFM mills, offices and stores remain closed to the public at this time. When visiting the Linwood or Wroxeter Mill, you may enter the vestibule of that office and speak with JFM personnel from there. We ask that only one person be in the vestibule at any one time.
- Curb and dockside pick up remains available at all JFM mills
- Customers are requested to continue to not interact with JFM delivery personnel when on-farm. Please ensure bins and feed placement areas are identified at the point of ordering. Where interaction with JFM delivery personnel is required, a minimum of 6 feet between people is required.
