## JONES DISPATCH TEAM MEETING

Jones Feed Mills hosted our biannual drivers meeting at the start of November. We use these meetings to review important information such as:

- Biosecurity
- Winter maintenance
- Safety on the roads and on the farm

Our drivers were also excited to get a sneak peek of our new Western Star truck.

## WINTER MAINTENANCE

Please ensure your laneway is plowed and the areas around your bins and doorways are free of snow and ice on your delivery day. Please consider the use of laneway markers to identify ditches, turns etc. for your laneway. Thank-you for your help!
