

Notice: Jones Feed Mills will be closed Monday August 3rd for the Civic Holiday. We wish all of our customers a safe and happy holiday.

JFM Welcomes New Dairy Sales Consultant

We are pleased to welcome Josh Becker to JFM as our newest Dairy Sales Consultant. With a strong academic background, a passion for agriculture, and an eagerness to support Ontario dairy producers, Josh is an exciting addition to our growing sales team.

Originally from upstate New York, Josh moved with his family to Virginia before eventually making Ontario home, where he now lives in St. George with his wife, Leah.

Josh is a recent graduate of Penn State University, where he completed his MCS, and Virginia Tech, where he earned a double degree in Dairy Science and Agribusiness Management. His education has provided him with a well-rounded understanding of dairy production, livestock management, and the importance of building strong relationships within the agricultural community.

On Josh's appointment, Peter Draper, Jones Feed Mills Sales Manager, comments, "We are excited to have Josh join the Jones Dairy Team, as we feel that the experience he has in understanding and analyzing dairy farm metrics along with his pleasant demeanor will be a welcome addition to our team."

In his role with JFM, Josh will work closely with dairy producers, providing practical nutrition and management solutions tailored to each operation. When asked what he's looking forward to most in his new role, Josh shared: "I'm excited for the opportunity to work for Jones Feed Mills. I'm looking forward to working with and learning from dairy producers and helping farms make practical decisions that support long-term profitability."

Please join us in welcoming Josh to JFM. We're excited to have him on board and look forward to the knowledge, energy, and fresh perspective he will bring as he begins working with dairy producers across our region.

We've Got You Tagged - JFM carries approved CCIA RFID tags for both cattle and sheep. Whether you're restocking your tag supply or preparing for new arrivals, we've got the tags you need.

Celebrating... Again!

Although his retirement celebration had to be postponed, we were finally able to gather for a BBQ a couple of weekends ago to celebrate the retirement of longtime Sales Consultant, Joe O'Rourke. This marks the second time he's retired from JFM, so it was only fitting that the cake proudly read "Again!" We enjoyed great food, plenty of laughs, and the opportunity to thank him once more for his many years of dedication, hard work, and friendship.

Congratulations, Joe! We wish you all the best in this next chapter—and this time, we hope retirement sticks (but we would always welcome you back)! 😊

Be Tick Ready This Season

Warmer weather means more time outdoors—and more exposure to ticks. Whether you're hiking, working around the farm, or enjoying the backyard with your pets, now is the perfect time to think about tick prevention.

The Miller's Stone Store carries a selection of tick prevention and removal products, including Tickless ultrasonic devices, herbal spot-on protection, tick removal tools, and complete removal kits to help keep both you and your pets protected. Stop by and let our team help you choose the right products for your next outdoor adventure.

Summertime is "**Green Egg**" Time! Transform every meal into an outdoor cooking experience with the **Big Green Egg**. From grilling and smoking to roasting and baking, it's built to do it all. Visit **The Miller's Stone Store** in Heidelberg to see our selection and find the perfect setup for your backyard.

BBGP

JFM is now accepting bookings for its popular BBGP 13.5% Grower Pellet. Booking period is July 1st until September 30th. Bookings are accepted for this period until July 15th. Inquire and book with your JFM Beef Sales Consultant or call the office at: 1-800-265-8735

A Quick Summer Reminder

With summer in full swing, we'd like to remind customers to keep the area around feed bins mowed and clear. This helps ensure safe, easy access for our drivers while also reducing the risk of ticks.

Remove The Wrap

With the warm weather here, JFM would like to remind our customers to please remove the plastic wrap from skids upon receipt. Leaving the wrap on can cause sweating, mold, and mustiness during hot weather. This reminder is also noted on our invoices.

Safeguard® Crumbles

(Fenbendazole)

Support your herd's health with Safeguard® (Fenbendazole) Crumbles. Safeguard is an easy-to-feed dewormer that helps control a broad spectrum of internal parasites, helping maintain animal health and performance. The crumble form makes it simple to incorporate into your feeding program for effective parasite management.
