

Introducing Pulmo-Chick!

Pulmo-Chick is a new to JFM product that can help your flock through respiratory challenges. Especially as the seasons change, we encourage flocks that have any sneezing, snicking, or drop in egg production to use this. Flocks that are exposed to the elements are also a candidate as weather fluctuations increase the occurrence of bronchitis challenges.

ON THE CALENDAR

*JFM Sponsored Event

e-Transfer Reminder

Please send all e-Transfers to receivables@jfm.ca. This is an auto deposit account and will not require a password.

Maximizing Milk Production

Dairy Producers, to maximize the opportunity of fulfilling fall incentive days along with December's quota increase, be sure to discuss with your JFM Dairy Sales Consultant the many options available to you to optimize milk production. Some of these options include:

- **Feeding Milk Replacer to your calves to maximize salable milk volume**
- **Consider using palm fat to aid in component production**
- **Review your dry period rations to ensure they are balanced to your forages and any special needs**
- **Discussing the opportunities of top-dressing or using a transition ration for fresh cows**
- **Using JFM Dairy Services to maximize transition health**

For more information, call 1-800-265-8735

JFM Equine Feeds

The Jones Feed Mills Equine Team have recently reviewed several of our equine feeds and have updated our equine feeds brochure. Peak Stride, a high protein balancer pellet for those hard-working horses is now part of our regular offering. Be sure to ask for your copy of our updated brochure!

Beef Producer Meeting

Check out the December JFM Newsletter and our social media platforms for an announcement of a Linwood area Beef Producer Meeting in December.

Get Serval's Research Working for You

Reminder that Jones Feed Mills carries the **Serval** line of livestock milk replacers. **Serval** knows the investment producers have in their young stock and are known around the world for their quality ingredients and the research that stands behind all of its milk replacers. **Jones Feed Mills** carry quality milk replacers for replacement dairy calves, veal and beef cross calves, goat kids and lambs. Call the office or talk to a Jones rep for more information. Volume discounts available on all milk replacers.

Alternative Payment Methods

With the ongoing mail strike, JFM would like to remind our customers that we have alternative payment methods available. Please call the office (1-800-265-8735) or speak with your sales representative for more information.
