Jones Feed Mills Ltd.

November 2026

Congratulations Francisco Trejo!

After ten years in his role as a Swine Sales Consultant, Francisco Trejo has announced his retirement from Jones Feed Mills. Through the years, Francisco has played an important role in assisting JFM swine producers in achieving success with their operations. Whether it was a farrow to wean, farrow to finish or a grow-finish operation, Francisco always maintained a professional and compassionate level of service to all he worked with. In his retirement, Francisco, who is originally from Mexico, however became a Canadian citizen, is looking forward to spending more time with his family back home. In his spare time, Francisco says he will "continue jogging, listening to jazz, traveling, and working as an independent swine consultant with Trejo y Asociados", an international swine consulting business he has owned and managed for many years. When commenting on his time at Jones, Francsico says that he "is deeply grateful to the management and staff at Jones", and he, "wishes the company continued growth and success as it supports Ontario and Canada". Francisco would also like to, "thank the wonderful team at Black Creek Livestock for all their support through the years". All of us at Jones wish Franciso all the best in his retirement and thank him for his many years of dedicated service. Franciso's last day at Jones will be November 30. Congratulations Francisco!

Baby News! Welcome Leela!

All of us at Jones Feed Mills are excited to announce that earlier last month Ash Thanabalan and her husband, Brandon Goldberg, gave birth to a baby girl, Leelavathi Shoshana Goldberg ("Leela" for short).

All are doing well and we are anxiously awaiting to meet Leela and welcome her within the Jones family! Congratulations Ash and Brandon!

When Every Dollar Counts

Use BCMPLUS before, during and after calving season to maximize health and reproductive performance.

BCMPLUS cow mineral aids in reproduction and fetal development by providing essential nutrients through the pre and post partum and nursing periods.

Contact your JFM Beef Sales Consultant to learn more about the advantages of BCMPLUS.
