

Jones
FEED MILLS LTD.

October 2026

Jones Feed Mills will be closed on Monday October 12th for Thanksgiving. We wish all of our customers a safe and happy holiday weekend!

Welcome Melissa!

Jones Feed Mills would like to welcome Melissa Wiseman to the Jones Nutrition Team.

Melissa comes to Jones with an MSc in poultry nutrition from Dalhousie University and a PhD in swine nutrition from the

University of Guelph. Melissa brings 10 years of experience working as a commercial layer nutritionist, managing cross species nutritional projects, and overseeing the QC and HACCP programs at a commercial feed mill. She will be covering the maternity leave for Aizwarya Thanabalan (Ash), and taking on the role of Monogastric Nutrition Manager at Jones. Melissa is looking forward to the challenge of getting to know the unique needs and operations of Jones' customers and providing support with her nutritional and technical expertise. She is excited for the opportunity to lead initiatives that will continue to advance and innovate nutritional programs and services offered at Jones Feed Mills.

In Melissa's spare time, she keeps busy with family life in Kitchener, enjoying the beautiful chaos of life with four young children.

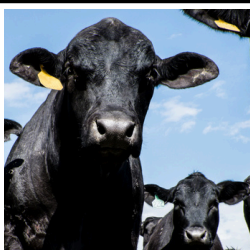

We are excited for the experience, knowledge and expertise that Melissa brings to the Jones Nutrition Team and our customers and look forward to working with her. Welcome Melissa!

Mark your Calendar – The fall **JFM Dairy Producer Meeting** is going to be held on **Tuesday, December 1st** at the Linwood Community Centre. Speakers from **Quality Seeds, Adisseo Canada** and **Sevita International** and Jones Feed Mills will be presenting. Look for the JFM November newsletter for more information or talk to your dairy representative. RSVP can be made by calling the office at 1-800-265-8735

BBGP

JFM is now accepting bookings for its popular BBGP 13.5% Grower Pellet. Booking period is Oct 1st until December 31st. Bookings are accepted for this period until October 14. Inquire and book with your JFM Beef Sales Consultant or call the office at: 1-800-265-8735

Packing Up for the Winter!

As migratory birds begin their trek to warmer climates for the next several months, JFM reminds all farmers to be aware of the possible return of Avian Influenza. JFM has on-going bio-security precautions in place in all aspects from delivery, to on farm and at all JFM facilities. Extended practices will be put in place should they be necessary.

Happy Thanksgiving

Hatching a New Chapter

We are excited to announce that Ash Thanabalan, JFM Poultry Technical Services Specialist, will soon be reporting baby news!

Once Ash and her husband, Brandon, receive their new arrival, Ash will be on Maternity Leave. We wish Ash and Brandon all the best and send our congratulations!

Ash will be (really!) missed, however through Melissa and the rest of the team, we should get by!

VOLUME PRICING NOW AVAILABLE!

"KANDI" TUBS!**

Receiving New Cattle This Fall?

If you are receiving new cattle this fall, whether they are from the west or from down the road, be sure to discuss receiving protocols with your JFM Beef Sales Consultant as well as your veterinarian. This will ensure you have the necessary feeds on hand as well as have any processing or medications required scheduled ahead of your cattle arriving. Be sure to reference the newly revised JFM Stressfighter Brochure which outlines feeds by growth phase to ensure you are prepared. For your copy of the Stressfighter brochure, contact your JFM Beef Sales Consultant or call the office at 1800-265-8735 to have one sent to you.

ON THE CALENDAR

*JFM Sponsored Event

- **Oct 12 - Thanksgiving - All JFM locations closed**

REMEMBER - Silo Gas Can Kill! The JFM

The JFM Health and Safety Committee reminds all customers of the dangers of silo gases when filling silos this fall. Gases (nitrogen dioxide) are most prevalent for up to 60 hours after filling your silo and decrease over the following 4-6 weeks. Please remember to ensure there is proper ventilation around your silos and to wear preventative/protective equipment when working around the base of your silos. Keep all other personnel away. Be Smart/Be Safe!

Reminder, Jones Feed Mills is a recognized BulkTech feed-bin dealer. BulkTech, a local bin manufacturer, makes all sizes of bins out of both steel and plastic. Be sure to price your next bin by calling the JFM office at 1-800-265-8735. Premix Customers – Inquire if you qualify for our on-farm bin program! Call the office or talk to your rep to see if you qualify.
