Jones Pasture Minerals

JFM-PCM-BOV Medicated and JFM-RANGEPRX non-Medicated Available

Use Jones Pasture Mineral for:

- ❖ Increased performance
- ❖ Increased disease resistance
- ❖ Increased reproductive performance
- ❖ General health and immune function

For Best Results:

- ❖ Place mineral feeders in a location cattle frequent each day
- ❖ Use 1 feeder for every 25 head
- ❖ Cattle should consume 100-125 grams/head/day of mineral
- ❖ Feed Free Choice - Cattle will regulate their daily requirement
